Re: Call-in Technical Inquiry 0382 – Copy of Legislation Creating GSA

Dear NEPA User:

This letter is in response to your August 7, 1998, request for a copy of the Act that created the General Services Administration. The legislation was enacted in 1949 and amended in 1972.

NEPA Call-In visited the GSA library and obtained a copy of Title 40 United States Code (U.S.C.) Chapter 16, 'General Services Administration.' This section of the U.S.C. is a codification of Public Law 99-500, which created GSA on June 30, 1949, and includes all amendments. A copy was hand delivered to you on August 7, 1998.

The materials in this TI have been prepared for use by GSA employees and contractors and are made available at this site only to permit the general public to learn more about NEPA. The information is not intended to constitute legal advice or substitute for obtaining legal advice from an attorney licensed in your state and may or may not reflect the most current legal developments. Readers should also be aware that this response is based upon laws, regulations, and policies in place at the time it was prepared and that this response will not be updated to reflect changes to those laws, regulations and policies.

Sincerely,

(Original Signed)
